

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF)
PARKSVILLE WATER DISTRICT) CASE NO. 10367

O R D E R

On August 31, 1988, Parksville Water District ("Parksville") filed its revised tariff sheets with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to KRS 278.015 and 807 KAR 5:068, Purchased Water Adjustment.

The Commission, having reviewed the evidence of record and being advised, is of the opinion and finds that:

1. Parksville purchases its water from the City of Danville ("Danville").
2. Danville bills on a declining block rate schedule. Effective August 15, 1988, Danville increased its rates for wholesale water by approximately \$.60 per 100 cubic feet.
3. Parksville adjusted the rates to its customers on August 15, 1988.
4. During the 12 months ending June 30, 1988, Parksville purchased 84,212,900 gallons of water and sold 52,520,400 gallons.
5. The increase in purchased water costs is \$67,388, resulting in a purchased water adjustment of \$1.28 per 1,000 gallons.

6. The tariff sheets and customer notice originally filed by Parksville were incorrect in that there were errors in the minimum usage allowance and minimum bill for 1-inch meters. However, on September 16, 1988, Parksville filed corrected tariff sheets and customer notice. The corrected tariff sheets should be approved as filed.

7. The purchased water adjustment in the amount of \$1.28 per 1,000 gallons and the rates in Appendix A are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment in the amount of \$1.28 per 1,000 gallons and the rates in Appendix A are hereby approved for services rendered on and after August 15, 1988.

2. The corrected tariff sheets filed September 16, 1988, are approved as filed.

Done at Frankfort, Kentucky, this 21st day of September, 1988.
